

Comparing Apples to Oranges

- Suppose oranges have been found to be bad for your health.
- You have 100,000 crates of oranges that can no longer be used for food.
- We need a new use for oranges right now.

Small Group Activity: Redefine the Orange

- Everyone in your group needs to come up with at least two different uses for oranges that do not include eating or drinking it.
- Create a list to share with the larger group.
